

On Demand Hiring

In as little as 48 Hours we can have your custom hiring event launched and a steady stream of quality talent flowing in to fill your open positions.

Let us create a custom hiring event that fits your needs and budget. We host live open houses, online virtual events and live online eCareerFairs.

Are on demand hiring events right for you?

You have:

- multiple positions open either in one area or across a number of functional departments

You want:

- increased candidate flow to your organization
- to heighten your corporate exposure/employer brand
- to reduce your hiring and recruitment time
- minimize the effort involved in the recruitment cycle
- save money by being able to find and hire directly
- immediate results....

Don't wait....call us now to discuss a custom recruiting package or choose one of our packages.

CareerDoor Inc. Customized Events

Increase Your Exposure

In order to maximize your event exposure we can also work with you to book and manage:

- Placements in National and Local Papers
- Association sites and newsletters advertising
- Job Board Postings and advertising
- Press Releases Writing
- News Wire Distribution

For Open Houses

We can manage all elements of your open house or items you designate:

- Facilities Rental
- Set Up
- Food & Beverage
- Registration
- Name Badges
- PreScreening

Virtual Booth:

A virtual booth is your online event page. Included in your virtual booth is:

- Your Logo
- Company Description
- Open Job Listings
- Resume Data Base Access
- Email Alerts
- Event Date, Location and Time Details

Your virtual booth is where candidates will submit resumes and apply for open positions.

Open House

Open house utilizes the Virtual Booth but has a physical location that we drive candidates to attend live for face-to-face interviews with your company. This can be your office or a destination of your choice and expense.

eCareerFair

This online forum enables you and job seekers to log on from the convenience of your desktops during a designated date and time period to chat live online about possible employment fit between the job seekers and your open positions.

Your eCareerFair Pages is customizable to include your company look and feel.
