

# OnDemand Hiring

In as little as 48 hours we can begin to deliver a stream of qualified candidates with the skill-sets necessary to fill your open positions.

OnDemand is a flexible recruiting initiative that fits your immediate needs and budget on *your* schedule.

Our recruiters telephone qualified candidates in our extensive and 'exclusive' databases to encourage them to post their resumes to your virtual web-page.

## Is an OnDemand hiring event right for you?

### If you have...

- one or more positions open either in one area or across a number of functional departments

### And you want...

- to increase your candidate flow
- to heighten your corporate employer brand
- to reduce hiring and recruitment time
- to minimize your effort and maximize your effectiveness
- to save money by being able to find and hire directly
- *immediate results....*

*Don't wait....call us now to discuss an OnDemand Hiring Initiative.*

### Online Virtual Event

A virtual booth is your online event page. Included in your virtual booth is:

- Your Logo
- Company Description
- Open Job Listings
- Resume Access
- Email Alerts
- Event Date, Location and Time Details

Your virtual booth is where candidates will submit resumes and apply for open positions.
